

Company presentation
April 2021

There's a difference between leads and qualified leads.
We help you find the right ones.

WE GENERATE **WARM** LEADS

Leave the **hard part** of the sales process us, so that you can focus on **creating value** for your customers

LEADHUB IN BRIEF

ABOUT US

We are a Norwegian company with a Nordic success story

-  Founded in 2020
-  HQ in Lysaker, Norway
-  30.000+ warm leads generated
-  37% closing rate

WHAT WE DO

Through **tailored concepts**, we bring you potential customers who are already looking to buy your product, so that you can **increase your sales**

OUR SERVICES

Using custom algorithms, data analysis and strategic use of social platforms, we reach customers who are in an active buying process - making the purchasing easier for the customers and the sales easier for you

ONE COMPANY RECEIVES WARM LEAD

WHY **WARM** LEADS MATTER

Our warm leads
have an average
closing rate of
37%

Closing is fun. Increasing your closing rate will keep your sales force motivated and strengthen team culture.

We take care of everything needed to bring in warm leads, so that you can save both time and money.

Our services are tailored to meet the end-users' needs. We help you provide them the value they are looking for.
